Dear VT Friends,

Welcome to the 28th Annual Sale. This sale is always a highlight every year. The students and the cattle are some of the best in the country.

This year's offering is one of the best yet. The females come to the head of the class and the bulls offer calving-ease with power to produce profits for you.

We are here to help, so please do not hesitate to contact us. This year you can bid on the phone, internet, or in person.

Go Hokies !

Welcome back to Virginia Tech and the 28th Annual Hokie Harvest Sale. My Livestock Merchandising class and I are very thankful to our valued customers, supportive alumni, former students, and avid supporters who have been extremely important to us along the way. The Hokie Harvest Sale has certainly weathered the test of time and continues to be a very relevant and meaningful course in the curriculum for the School of Animal Sciences. Over 1,900 students from various majors and colleges have enrolled in this course since its inception in 1995 and have later become industry leaders and prominent livestock producers. Don't miss out on this opportunity to witness our future industry leaders in action!

The Hokie Harvest Sale has developed a significant reputation over the years for selling high quality, university-owned livestock and is unique to this land-grant university because it has been organized and managed by students in an experiential learning environment. Both two- and four-year students have gained "hands-on" experience in sale management, budgeting, advertising, cataloging, clerking, and livestock photography. Forty-five students have worked extremely hard in the planning and preparation of this year's production sale, which includes a live auction of 72 head of registered and commercial beef cattle and seven quality horses being sold exclusively through an online auction at <https://horsesales.cals.vt.edu>. Additional updates on all sale horses can be found at <https://www.facebook.com/VirginiaTechEquine>.

Our commitment to our customers has always been to provide cattle that are profitable in a variety of situations. The beef cattle program strives to raise the most predictable genetics available and will feature both purebred and commercial beef cattle. Breeders of purebred Hereford, Simmental, Charolais, and Angus cattle will be able to select AI-sired progeny from a cross-section of the VT Beef Cattle herd. The purebred females are sired by and mated to recognized, proven, and popular breed-leading AI sires and will provide a golden investment opportunity for those who have limited AI knowledge or expertise. These females combine curve-bending GE-EPDs with proven production records while our promising herd sires stem from predictable cow families. All seven spring-born calves will sell separately from their dams. A strong set of commercial cows (both fall and spring-calving) and bred heifers of SimAngus origin will also be offered. SaleRing.live will provide online bidding for the cattle sale if you feel more comfortable with that format. If so, you must register at www.salering.live/register at least 15 minutes before the sale using Google Chrome in order to watch/bid online in real-time. Complimenting this service, video is available on all sale cattle which can be accessed at <https://www.apsc.vt.edu/facilities0/beef-center.html> or at www.salering.live. Sale cattle will be on display throughout the week of the sale but will not be brought into the sale ring which is different from earlier years.

Our equine program is selling an excellent online offering of five quality youngstock and two riding-age horses. Please join us as we showcase these well-bred horses from 12-6 PM on sale day. The online auction will be open for bidding on October 15th and will close promptly at 6:00 PM on October 28th.

The School of Animal Sciences takes great pride in our university, our livestock, and especially our students. We encourage you to 'Come and Experience the Harvest' on Friday, October 28th and get to know this great group of future industry leaders. Funds generated from the Hokie Harvest will continue to provide funding critical to the survival of departmental programs. Many thanks to all of you for your past support and interest in our beef cattle and equine teaching programs. We are committed to making you a satisfied customer and are here to assist you in any way we can.

Sincerely,

Dan Eversole, Director
Beef Cattle Programs

Chad Joines, Director
Beef Cattle Operations

HEADQUARTERS FOR PRE-SALE CATTLE VIEWING (APPT ONLY):

Beef Cattle Center and Alphin-Stuart Livestock Arena, 500 Plantation Road, Blacksburg, Virginia

BEEF CATTLE:

The Inn at Virginia Tech(540) 231-8000

FOR MORE PICTURES, VIDEOS, AND DETAILS:

<https://www.apsc.vt.edu/facilities0/beef-center.html> or
www.salering.live or <https://horsesales.cals.vt.edu/>

TERMS & CONDITIONS:

Cattle sell under the Standard Terms and Conditions as suggested by the American Hereford Association, American Angus Association, American-International Charolais Association, and the American Simmental Association. Cash or good check will be accepted. All purchases are to be settled for at the conclusion of the sale and will

remain at the VT Beef Center until proper settlement is made.

REGISTRATIONS & TRANSFER:

Registration certificates will be transferred to the buyer at the seller's expense. Buyers must provide full name and address for transfer. Association member codes would be helpful if you are a member of a purebred breed association; however, this is not required to purchase cattle. Animal transfers will be done after settlement.

HEALTH REQUIREMENTS:

1. All cattle for sale will meet the health requirements of the Commonwealth of Virginia and appropriate health papers will be furnished for interstate shipment. Every female (4-12 mo.) has been calf-hood vaccinated for Brucellosis. All sale cattle are tested free from Brucellosis, John's Disease, and Bovine Leukemia Virus (BLV).

2. If sale cattle are returned to the seller for an adjustment, they must meet health requirements of the Commonwealth of Virginia.

3. Yearling bulls have undergone a breeding soundness examination (BSE) and are considered satisfactory breeders as defined by the Society of Theriogenology. Buyers will be given a copy of the BSE results.

BREEDING GUARANTEE:

Bulls are guaranteed to be breeders (defined as the ability to settle healthy cows by the time they are 14 months of age) with exception of:

- Injury or disease occurring to the animal after time of purchase.
- Gross negligence or willful misconduct on the part of the purchaser.

HERD HEALTH:

All pregnant females were given a pre-breeding vaccine which consisted of a modified-live virus IBR-PI3, BVD, BRSV, and a 5-way Lepto bacterin. Any questions concerning general herd health can be directed to Dr. Terry Swecker, College of Veterinary Medicine (0442), Virginia Tech, Blacksburg, VA 24061, 540/231-7375.

ANNOUNCEMENTS:

Announcements from the auction block will take precedence over printed material in this sale book. Virginia Tech reserves the right to withdraw any sale lot from the sale that does not meet their specifications prior to the sale.

EPDs represented in this sale book were current at the time requested for the layout and printing of this sale book. EPDs are recalculated throughout the year by the respective breed associations, which mean the figures represented in this book may change for these animals in the future.

HOW TO BID ONLINE

IT'S EASY AS A, B, C!

Step A

Type salering.live into your browser. Salering.live can be used on your phone, tablet or desktop. We strongly recommend using Google Chrome as your browser for the best viewing and bidding experience.

Step B

Click the "Login/Registration" button. First time users, click "Registration." Enter your personal information. Check box for "I Agree to the Terms Above." Click "Next Step." A confirmation email will be sent to the email address used in registration.

Salering.live reserves the right to refuse bidding credentials to any customer not meeting our specifications.

Step C

You are ready to go! You don't have to worry about a bidder number. As long as you are registered and logged in, you will be able to bid. Please remember you are on a highly sensitive web page. Please pay attention while scrolling or handling mobile/tablet devices.

Helpful Reminders!

PLEASE MAKE SURE YOU HAVE GOOD SERVICE! You should have, at bare minimum, two to three bars of service on your cellular devices. If you are using wifi, you need to have an upload speed of 5 mbps or more. Use www.speedtest.net to test your Internet.

Refresh your screen at sale time. Do not let your computer sit idle for over an hour and then return and try to bid. The website may have logged you out.

Salering.live does not handle money. All lots purchased will need to be paid to the farm directly or to sale management.

WWW.SALERING.LIVE

September 12, 2022

Dear friends, supporters, and fellow Hokies,

As the 2022 Livestock Merchandising Class at Virginia Tech, we are honored and pleased to present to you the 28th Annual Hokie Harvest Sale Catalog. We are excited to invite you to our in-person sale on October 28th, 2022, at 6:30 PM at our very own Alphin-Stuart Livestock Arena located on Plantation Road in Blacksburg, Virginia.

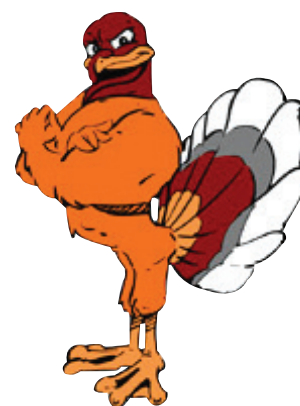

Now in its 28th year, this annual auction continues to be a joint effort among all the students enrolled in the Livestock Merchandising Class. Throughout this class we have had an abundant amount of amazing guest lecturers who have thoroughly prepared us for planning and overseeing the sale. Organizing the Hokie Harvest Sale teaches each member of the class valuable skills on how to manage and coordinate a successful production sale, while providing high quality, hand-picked livestock to the public. This year's auction will include an amazing selection of 72 beef cattle including 7 purebred spring pair splits, 5 fall-calving purebred cows, 1 purebred bred heifer, 2 purebred spring-calving cows, 7 spring-calving commercial heifers, 6 fall-calving commercial cows, and 26 breeding-age bulls. Our hand-picked selection of cattle include Angus, Charolais, Simmental, and Hereford breeds.

The Hokie Harvest is also fortunate to offer 5 quality youngstock and 2 riding age horses all of whom were born and raised at our Smithfield Equine Barn to our online auction. We have a diverse group of horses including two Jockey Club weanling geldings, APHA Tobiano weanling gelding, 2008 Thoroughbred equitation program gelding, AQHA yearling gelding, AQHA 2-yr-old mare, and 2012 Appendix Quarter Horse equitation program mare, just to name a few. The online auction of these amazing horses will open on October 15th and closes at 6 PM on October 28th, following the live viewing of the sale horses from 12-6 PM in the Alphin-Stuart Livestock Arena on sale day. All proceeds from the Hokie Harvest Sale will directly impact the School of Animal Sciences and its programs to benefit the Virginia Tech students, research efforts, and extension education.

We appreciate your invaluable support and invite you to attend a complimentary barbeque dinner served prior to sale time in the Alphin-Stuart Arena beginning at 4:30 PM up until sale time. Join us in fellowship while enjoying some delicious food. Thank you for your continued support and interest in helping us further our education as we serve you. "Come Experience the Harvest" with us on October 28th at the 28th Annual Hokie Harvest Sale. We look forward to seeing you!

Sincerely,

Catalog and Social Media Committee
Colton Wilder, Nathan Aitcheson, and Austin Funk

► Heifer Bull

► Polled

- He is one of those rare bulls that offers high profitability across all traits.
- A 70# BW offers calving ease, a 752# WW affords you heavy calves at weaning, and a 1208# yearling weight provides for female replacements that will grow and sustain your program.
- 128J blends a similar maternal bloodline as Lots 30 and 32.

► Balanced Trait Bull

► Polled

- 135J is one of the younger bulls in our sale offering that will certainly add hybrid vigor to a commercial program.
- His sire, LT Reward, is a Multiple Trait Leader in the Charolais breed and has a percentile ranking of 2% for YW, CW, and TSI.
- He is a flush brother to Lots 37 and 38.

All-Purpose Bull

Polled

- His sire, Milestone, topped the 2016 Wright Charolais Sale in MO while his dam, 622D, was a featured lot in our '1st Annual Leading Ladies in Hokie Nation' Sale that was streamed live online a couple weeks ago.
- Here is a big topped, large scrotal, and stout-made bull bred for total performance.
- There are 10/12 green bars if you examine his pedigree for percentile rankings.

Heifer Bull

Polled

- This attractive, red-necked bull is an ideal candidate to mate to black-hided females to produce baldy feeder cattle as well as female replacements based on his 4% ranking for both Milk and M&G.
- Here is a problem-free son by Benton and out of a proven dam with a WR of 3/103.
- J108 has a 65# BW and an adjusted WW of 552#.
- His 9% CHB\$ tabulation is an advantage in adding value to Hereford-sired calves in some markets.

All-Purpose Bull

Polled

- J109 is out of a first-calf heifer and sired by Blueprint who combines exceptional phenotype with breed-leading genetic predictions.
- His growth EPDs reflect a 10% and 13% ranking for WW and YW, respectively.
- This 'baldy-maker' has a BMI\$ index that ranks in the elite 5% among non-parents and should sire female replacements with quality udders and small teat size based on a 2% udder and 9% teat percentile ranking.

Hokie Harvest Sale Horse Showcase

Friday, October 28th, 2022 from 12pm-6pm

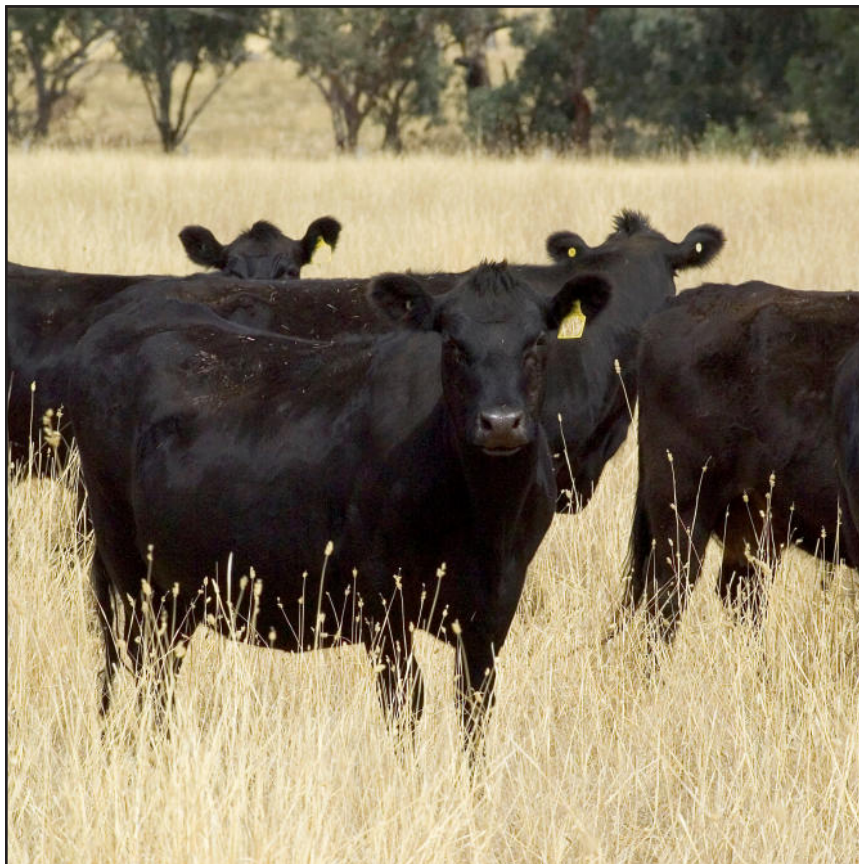

This is the only time when sale horses will be available for viewing by prospective buyers.

Virginia Tech Campus - Alphin-Stuart Livestock Arena

500 Plantation Rd, Blacksburg, VA 24061

Training Details

All youngstock sold during the Hokie Harvest Online Horse Auction have been trained by students in the Equine Behavior and Training course taught in the School of Animal Sciences and routinely handled by students in the Equine Volunteer Program and Equine Reproduction Club. All youngstock have been extensively handled since birth and are taught to lead, tie, stand for the farrier, load into a trailer and have been desensitized to a variety of novel objects. Yearlings are additionally taught to lunge and carry tack. Two-year-olds and older have also been introduced to ground driving. Conformation photos, training photos and videos of all sale horses are available on the auction site as well as in each horse's photo album on Facebook. All horses will be sold with a portfolio detailing their training progression and medical history. These portfolios will be available on the day of the Horse Sale Showcase. Terms & Conditions can be found on the auction website.

BEEF CATTLE OPERATIONS

LOANS FOR:

- Cow/calf pairs, replacement heifers, stocker and feeder cattle
- Large and small tracts of land
- Barns, outbuildings, fences and roads
- Operating expenses

Selling Farm Machines Since 1979!

REDUCE DOWNTIME. MAXIMIZE PRODUCTIVITY.

Lubed-for-life Optidisc® elite cutterbar provides greater knife overlap for cleaner cut in difficult field conditions

Maintenance-free, Pro-Active Lift® system allows for quick adaptation to abrupt changes in terrain

Constant Float® suspension closely follows ground contours and reduces amount of missed crop

Gyrodine® swivel hitch allows turns in excess of 90° for outstanding maneuverability
